Each time you "bring it" you will earn tokens. One token is worth one hundred points. Below is a chart to show you how many tokens you need to earn the different Bring It! prizes for this month.

DAY 3: I AM UNIQUE

God made each one of us unique. Play a game with your family to help you remember that you are special just the way God made you.

Have each person write his or her name on a slip of paper. Fold up all of the pieces of paper and put them in a hat or bowl. Then without looking have each person draw a name (hopefully no one will get their own name.)

Each person in your family will describe the person they have on their paper by telling about the things that make them unique. The rest of the family will try to guess who they are describing.

After you play spend time praying with your family and thanking God for making each person unique.

DAY 4: TALENTED PEOPLE

Have you ever been in a talent show? What talent did you perform? Our talents are the gifts and abilities that God has put inside of us as His children. Each one of us has unique gifts that God has given us, and he wants us to use those gifts to show others who He is.

Read Judges 6:11-16

Gideon didn't feel like he had what it took to defeat the enemy, but God saw something more inside him and promised to be with him the whole time. God knew that Gideon had what it took to defeat the Midianites because He created Gideon just for that. Just like God gave Gideon the ability to do something he didn't think he could do; he gives us special gifts too. In fact, God gives everyone the ability to do great things, even when we don't think we can; and He promises to be with us the whole time.

Pray and thank God for the gifts He has given you and for His promise to always be with you. Have your family get together for a family talent show. Applaud each person for being willing to share the unique gifts God has given them.

DAY 1: WEEKEND IN REVIEW

This weekend we learned that God wants us to stay true to who He has created us to be. We watched as Maddie stopped trying to re-create recipes that were her fathers and started creating her own dishes in the kitchen – and they were a huge success!

In our Bible we read that David chose to use his gifts and defeat Goliath with a sling shot instead of wearing the armor of someone else. God made each person unique with his or her own gifts and talents. It's our job to make sure we are not trying to be someone else but that we are embracing exactly who God made us to be.

What are some gifts and talents you have? Draw a picture of three examples in the spaces provided below.

DAY 2: MEMORY VERSE REVIEW

Imagine that you saw someone in your class who forgot their lunch. You remembered that your dad told you he wanted you to be generous. What could you do in that situation?

God wants us to know what to do in tough situations. That's why He gave us the Bible. When we know what the Bible says we are able to react well when situations come up in our life.

Instead of looking up 1 John 3:1a this week see if you can write it out from memory below.
