**NOTES:**

**WELCOME**

“Welcome to Motion and welcome to our new series *Always Open* where we’re learning how to to serve others with a smile on our face. This month we’re learning about the power of service and how serving others can have a big impact. But what is service? Let’s take a look at the screen and find out!

**Service:** Lending a hand to help someone else.

Now Motion, we’re going to take a closer look at service by inviting my friend \_\_\_\_\_ to the stage. Motion, help me welcome \_\_\_\_\_!”

been able to feed 5,000 people alone? No way! But because he first gave his gift to God, God used it to do something amazing.

Now, it's time for us to answer a few questions about the video we just watched. Circle around your eGroup leaders now!

First question: Would you consider the gift the boy brought to Jesus a big gift or a small gift? Do you think the size of the gift actually matters to God?

*(give kids one minute to answer the question)*

Next question: What's a gift you have that might get overlooked? Remember: no gift is too small!

*(give kids two minutes to answer the question)*

Last question: Think of the small gift you just talked about. What's a big way you could use that gift to serve others?"

*(give kids two minutes to answer the question)*

## **WORSHIP INTRO**

"Great job, Motion! Everybody stay standing because it's time for us to head back to our eGroups. When I call your eGroup leaders' name, you can follow them back to eGroup so you can learn more about serving others."

*(dismiss kids back to eGroups)*

## VIP WELCOME

---

“Welcome back from your eGroups, Motion! Before we continue, I want to take a moment and welcome our VIPs who are here with us for the first time today! Motion, help me welcome our VIPs!

*(initiate applause)*

If it's your first time here, we consider you a VIP — a very important person! VIPs, turn your attention to the screen because I've got some special instructions just for you.

*(refer to the screen)*

This is a VIP lanyard. If you're a VIP, you're wearing this around your neck right now.

[VIP Slide - Lanyard]

When you leave Motion, you need to take that lanyard to the \_\_\_\_\_ tent called the Welcome Area.

[VIP Slide - Welcome Area]

Once you get to the Welcome Area, show them your lanyard and they will give you a gift!

[VIP Slide - Gift]

Let's review.

[VIP Slide - All Combined]

VIP Lanyard + Welcome Area = Gift.

If you have any questions about where to go or what to do, just ask someone in an eKidz shirt and we'll be more than happy to help you out!”

## BIBLE PRIZE INFO

---

“Now Motion, it's time to talk about how we're going to reward you for something I know a lot of you do every week — bringing your Bibles! It's so important to bring your Bible to eKidz so you can have God's Word in front of you. That way, you can circle important stories, memory verses, or wisdom you'll learn about.

If you brought your own personal Bible from home, then you'll be able to leave today with a prize. After your parents pick you up, you'll show YOUR Bible to the leader who's checking your

tags at the door. IF you brought your Bible, you can choose from one of the prizes available. Bring a Bible, get a prize. How easy is that?

When I say, 'Bring a Bible,' you say, 'Get a prize!'

Bring a Bible!

*(wait for kids to respond)*

If you didn't bring a Bible today, then bring one next time! Each week you can get a prize for bringing your Bible."

## MEMORY VERSE ACTIVITY

---

"Now Motion, it's time for us to work on this month's memory verse! First, let's take a look at it on the screen.

*(refer to the memory verse slide on the screen)*

Ok, let's all say the verse. I'll say it first, then we'll say it together.

*(say the memory verse, then say the memory verse with the kids)*

Ok, now we're going to do an activity that'll help you learn this month's verse. In just a moment I'm going to have you say the verse with a partner. The trick will be that you need to say the memory verse five times AS FAST as you can. This week, it's all about speed and you and your partner will race against each other to see who can say it the fastest.

Take 30 seconds to find a partner and then once you've all got a partner, I'll give you two minutes to practice the memory verse once or twice normally, then the race can begin. Remember, you'll race against each other five times and the winner is the person who can say it fastest three out of the five times. Ok, take 30 seconds and find a partner now!

*(give kids 30 seconds to find a partner)*

Now, say the memory verse with your partner as fast as you can. Do that now!"

*(give kids three minutes to say the verse back and forth as fast as they can five times each)*

## GAME SETUP - GET OUT OF MY KITCHEN!

---

“Motion, it’s time for us to play today’s game. In this game, you’ll need to complete the orders from the head chef (me) quickly or else I’ll toss you out of my kitchen and you’ll have to sit down.

So, our menu is pretty small here at the Motion Café. In fact, there’s only five options for customers to choose from. That being said, it’s important our orders come out correct and quickly. When I call for an order, you need to do the motions in order to make the correct dish. If you do the wrong motion, I’m going to say ‘get out of my kitchen!’ like some angry celebrity chef on TV. So, here are the motions. Let’s take a look at the screen and walk through these together. We’ll practice them a few times before we start the game, so don’t worry.

*(Refer to the screen graphic. Explain and demonstrate the motions. Practice each motion a few times.)*

Okay! It looks like we’re ready for our first set of orders. I hope your ready. Here comes the first wave!”

*(Start calling out orders to the kids, slowly at first. Pick up the pace as the round continues. Each round should last for about 30 seconds.)*
