“Welcome to Motion and welcome to our series *Cam I Am!*

This month we’re learning all about the fruit of the Spirit and how to grow and become the type of person God wants us to be.

That’s a weird thing to hear, right? The fruit of the Spirit? What is the fruit of the Spirit and why are they important? Let’s find out by checking in with one of our resident Bible experts. Motion, help me welcome \_\_\_\_\_ to the stage!”

## CONNECT QUESTIONS INTRO

---

“God gave us the Holy Spirit to help us make right choices and live how God wants us to. When we listen to the Holy Spirit, we grow the fruit of the Spirit, like patience, kindness, and goodness!

Now, it’s time for us to answer a few questions about the Fruit of the Spirit and the video we just watched. Circle around your eGroup leaders now!

First question: What are today’s fruits of the Spirit? What do these fruits have in common? Discuss that now.

*(give kids one minute to answer the question)*

Next question: What’s hardest for you to show? Patience, kindness, or goodness? Why?

*(give kids two minutes to answer the question)*

Last question: Sometimes, patience can be very difficult to show. What tricks do you use when you need to be patient?”

*(give kids two minutes to answer the question)*

---

## WORSHIP INTRO

---

“Great job, Motion! I heard some amazing answers coming from your eGroups. Now, it’s time for us to stand to our feet and thank God for loving us enough to send His Son, Jesus.

Everyone stand to your feet and let’s sing, dance, and worship God together. Let’s sing, ‘I Give You My Hallelujah.’”

## VIP WELCOME

---

“Welcome back from your eGroups, Motion! Before we continue, I want to take a moment and welcome our VIPs who are here with us for the first time today! Motion, help me welcome our VIPs!

*(initiate applause)*

If it’s your first time here, we consider you a VIP — a very important person! VIPs, turn your attention to the screen because I’ve got some special instructions just for you.

*(refer to the screen)*

This is a VIP lanyard. If you’re a VIP, you’re wearing this around your neck right now.

[VIP Slide - Lanyard]

When you leave Motion, you need to take that lanyard to the \_\_\_\_\_ tent called the Welcome Area.

[VIP Slide - Welcome Area]

Once you get to the Welcome Area, show them your lanyard and they will give you a gift!

[VIP Slide - Gift]

Let’s review.

[VIP Slide - All Combined]

VIP Lanyard + Welcome Area = Gift.

- Make sure you use the appropriate slides that match the color of the tent used on your campus.

If you have any questions about where to go or what to do, just ask someone in an eKidz shirt and we'll be more than happy to help you out!"

## BIBLE PRIZE INFO

---

"It's time to talk about how we're going to reward you for something I know a lot of you do every week — bringing your Bibles! It's so important to bring your Bible to eKidz so you can have God's Word in front of you. That way, you can circle important stories, memory verses, or wisdom you'll learn about.

If you brought your own personal Bible from home, then you'll be able to leave today with a prize. After your parents pick you up, you'll show YOUR Bible to the leader who's checking your tags at the door. IF you brought your Bible, you can choose from one of the prizes available. Bring a Bible, get a prize. How easy is that?

When I say, 'Bring a Bible,' you say, 'Get a prize!'

Bring a Bible!

*(wait for kids to respond)*

If you didn't bring a Bible today, then bring one next time! Each week you can get a prize for bringing your Bible."

---

## MEMORY VERSE ACTIVITY

---

"Now Motion, it's time for us to work on this month's memory verse! First, let's take a look at it on the screen.

*(refer to the memory verse slide on the screen)*

Ok, let's all say the verse. I'll say it first, then we'll say it together.

*(say the memory verse, then say the memory verse with the kids)*

Ok, now we're going to do an activity that'll help you learn this month's verse. In just a moment I'm going to have you say the verse with a partner. The trick will be that you need to say the memory verse five times AS FAST as you can. This week, it's all about speed and you and your partner will race against each other to see who can say it the fastest.

Take 30 seconds to find a partner and then once you've all got a partner, I'll give you two minutes to practice the memory verse once or twice normally, then the race can begin. Remember, you'll race against each other five times and the winner is the person who can say it fastest three out of the five times. Ok, take 30 seconds and find a partner now!

• This series, we're using the NLT version of this verse, as the word "self-control" is easier for kids to understand than "forebearance."

*(give kids 30 seconds to find a partner)*

Now, say the memory verse with your partner as fast as you can. Do that now!"

*(give kids three minutes to say the verse back and forth as fast as they can five times each)*

---

## DISMISSAL INFO

---

"It's almost time for your parents to get here, but before they do, I've got a few reminders for you:

- **Bible Prize:** If you brought your Bible, you get a prize. If not, make sure you bring one next week!
- **Sophie and Lemon Download Cards:** We've also got the Sophie and Lemon song from today's Cam I Am episode to give you on a download card so you can add the song to your favorite device. That way, you can get your parents to download it so you can bug them to play it over and over again the whole way home."

## GAME SETUP - TOO LOUD

---

"This month, Cam has been helping our team search the internet for some of the funniest videos he can find. We've turned those videos into games and we're going back to the 'Silent Library' we visited the first week of this series!

In this game, a group of friends go into a library and must complete a series of challenges all without making too much noise. If they fail to complete the challenge OR if they make too much noise, they lose the round.

Your job will be to guess what happens next. Does the group of friends win the round? Will they complete the challenge? Or will they be too loud and lose?

Let's start the first round and find out! Everyone stand to your feet and let's get ready to play 'Too Loud!'"
