

# DECEMBER FAMILY ACTIVITIES

We may have different demands on our time, but one thing we all value as parents is quality time with our kids. Whether you have twenty minutes or two hours to spend with your child today, we want to equip you with some fun ways to embrace the season together! To find instructions for each of these activities, check out the Elevation eKidz Pinterest board for **December Family Activities**.

## Listen to “The Promise” to Keep Your Hearts Focused on Jesus

Count down to Christmas with “The Promise,” a 10-day audio reading plan that takes your family through the story of how God fulfilled His promise to send a Savior. Listen to it on the way to school, during breakfast, or at bedtime. Don’t miss the bonus printable ornaments included with the reading plan!

## Use our Christmas Origami Games to Make Your Conversations Extra Merry

Print and help your child fold two Christmas origami games: one with some silly, seasonal jokes, and another with questions to help your family review the Christmas story. (If you haven’t folded one of these since elementary school, don’t worry — we’ve provided simple, step-by-step instructions for you!)

## Set Up Your Family for Successful Travel Time

“Into the Portal,” our eKidz podcast, tells an exciting story that helps you create great conversations with your kids as you travel. Seasons one through three are available to download now, and season 4, our special Christmas season, releases December 5. Make sure to subscribe so you don’t miss any adventures!

## Create Some Fun, Festive Treats for Your Family and Friends

Make dinner a little merrier by letting the kids help you assemble Christmas Tortilla Pizzas. While you’re in the kitchen, try making some delicious Oreo Cookie Christmas Ornaments. These are a great gift to share with your friends and neighbors (and we won’t tell if you eat a few, too!).

## Host a Holly Jolly Game Night

You’ll love both watching and playing these “Minute to Win It”-style Christmas games! There are games for all ages, and they can work for a small family or a larger group of friends or relatives.
