

## DEVOTIONAL #1

This week we are studying the story of Adam and Eve in the Garden of Eden. God gave Adam and Eve the perfect place to live, but they chose to listen to Satan and disobey God by eating fruit from a tree He told them not to eat from. Adam and Eve's consequence was they had to leave the garden. It also meant that their perfect relationship with God was broken.

When we disobey our parents, teachers, or coaches there are often consequences. They don't give us consequences because they love us any less, but because they want us to learn that we need to obey. The same is true with God. He wants you to obey Him and the people He has put in authority over your life.

*BONUS QUESTION: In the space in your journal write an example of a consequence you have faced recently for making a bad choice.*

Pray and thank God for helping you make better choices in the future.

### MEMORY VERSE REVIEW

This month our memory verse is found in 2 Timothy 3:16. Look it up in your Bible and read it out loud a few times.

Create a puzzle to help you learn your verse:

- Find a piece of construction or printer paper.
- Write the verse out, taking up the entire paper.
- Use scissors to cut your verse into 10-12 pieces.
- Mix up the pieces and put the pieces back together to spell out the verse.

Every day this month take a few minutes to mix up your puzzle pieces and then put them in the correct order.

*BONUS QUESTION: On what page in the Bible is your memory verse found?*
