

# FAMILY-FRIENDLY TECHNOLOGY RECOMMENDATIONS

## BIBLE APPS

### YouVersion

The YouVersion app offers a variety of age-appropriate reading plans your child can use to study the Bible and grow in their faith. Recommended for elementary-aged kids.

Head to [youversion.com/the-bible-app/](http://youversion.com/the-bible-app/) for more information.

### Bible App for Kids

The Bible App for Kids was designed to help kids learn and engage with Bible stories through videos and interactive animations. Recommended for toddlers and preschool-aged kids.

Head to [bible.com/kids](http://bible.com/kids) for more information.

### Superbook Kids Bible App

The Superbook Kids Bible App helps bring the Bible to life for your child through videos, images, and fun games from the Superbook animation series. Recommended for elementary-aged kids.

Head to [superbook.cbn.com/app](http://superbook.cbn.com/app) for more information.

## PODCASTS

### Into the Portal

"Into the Portal" is a family-focused podcast that tells the exciting story of Dex and River's adventures and connects families to the topics taught each weekend in eKidz. Recommended for children 5-10 years old.

Head to [ele.vc/IntothePortal](http://ele.vc/IntothePortal) for more information.

### Circle Round

"Circle Round" is a series of thoughtfully-selected folktales from around the world featuring top talent from the stage and screen. The stories are captivating and compelling and are nearly always accompanied by a positive message or moral. Recommended for preschool and younger elementary aged children.

Head to [wbur.org/circleround](http://wbur.org/circleround) for more information.

### Pants on Fire

In the era of fake news, kids need to learn to be able to tell what's true from what's false. And what better way to do that than "Pants on Fire" — a game show that puts kids in the driver's seat, adults on the hot seat, and a sound-effects robot strapped to the roof. Recommended for younger tweens.

Head to [bestrobotever.com/pants-on-fire](http://bestrobotever.com/pants-on-fire) for more information.
