WELCOME

"Welcome to Motion and welcome to our series *Jam Session!*

All month we're going to explore what it means to work with other people, just like you do whenever you're in a band. In fact, working with others, or cooperation, is our virtue for this month! Everyone take a look at the screen and read this with me.

Cooperation: Working together to do more than you can do alone.

This month we're taking a look at an amazing Bible story about four friends who worked together to help their friend when he needed it the most. Motion, put your hands together and help me welcome a special friend who's going to tell us today's Bible story about cooperation. Help me welcome _____ to the stage!"

CONNECT QUESTIONS INTRO

“These four men knew what cooperation was all about. They worked together to help their friend. And they worked together to help someone in need. There are people around us every day who might be having a tough time. God can use US as we work together to help them. We can do something together to fix what’s wrong. We just need to be on the lookout and have the courage to help.

Now, it’s time for us to answer a few questions about today’s Bible story and the video we just watched. Circle around your eGroup leaders now!

First question: Why did the friends feel like they needed to open the roof to get their friend inside? Why not wait for Jesus to come out?

(give kids one minute to answer the question)

Next question: When was the last time you helped a friend who really needed it? What did you do?

(give kids two minutes to answer the question)

Last question: Who do you know that could need your help this week?”

****Think of friends at school, in your neighborhood, or at church.****

(give kids two minutes to answer the question)

WORSHIP INTRO

“Great job, Motion! I heard some amazing answers coming from your eGroups. Now we’ve got the chance to stand to our feet and thank God for everything He’s done.

Everyone stand to your feet and let’s sing, dance, and worship God together. Let’s sing, ‘Already Won.’”

WORSHIP SONG - ALREADY WON

DISMISSAL TO eGROUPS

“Great job, Motion! Everybody stay standing because it’s time for us to head back to our eGroups. When I call your eGroup leaders’ name, you can follow them back to eGroup so you can learn more about cooperating.”

(dismiss kids back to eGroups)

eGROUPS

If you have any questions about where to go or what to do, just ask someone in an eKidz shirt and we'll be more than happy to help you out!"

BIBLE PRIZE INFO

"Now Motion, it's time to talk about how we're going to reward you for something I know a lot of you do every week—bringing your Bibles! It's so important to bring your Bible to eKidz so you can have God's word in front of you. That way, you can circle important stories, memory verses, or wisdom you'll learn about.

If you brought your own personal Bible from home, then you'll be able to leave today with a prize. After your parents pick you up, you'll show YOUR Bible to the leader who's checking your tags at the door. IF you brought your Bible, you can choose from one of the prizes available. Bring a Bible, get a prize. How easy is that?

When I say, 'Bring a Bible,' you say, 'Get a prize!'

Bring a Bible!

(wait for kids to respond)

If you didn't bring a Bible today, then bring one next time! Each week you can get a prize for bringing your Bible."

MEMORY VERSE ACTIVITY

"Now Motion, it's time for us to work on this month's memory verse! First, let's take a look at it on the screen.

(refer to the memory verse slide on the screen)

Ok, let's all say the verse. I'll say it first, then we'll say it together.

(say the memory verse, then say the memory verse with the kids)

Ok, now we're going to do an activity that'll help you learn this month's verse. In just a moment I'm going to have you say the verse with a partner. The trick will be that you need to say the memory verse five times AS FAST as you can. This week, it's all about speed and you and your partner will race against each other to see who can say it the fastest.

Take 30 seconds to find a partner and then once you've all got a partner, I'll give you two minutes to practice the memory verse once or twice normally, then the race can begin. Remember, you'll race against each other five times and the winner is the person who can say it fastest three out of the five times. Ok, take 30 seconds and find a partner now!

(give kids 30 seconds to find a partner)

Now, say the memory verse with your partner as fast as you can. Do that now!"

(give kids three minutes to say the verse back and forth as fast as they can five times each)

MEMORY VERSE ACTIVITY

GAME SETUP - DROP THE BEAT (AND THE KIDS)

"Great job during the memory verse activity, Now, it's time for us to play our game.

In today's game, we're going to be a game called 'limbo' that's going to test how agile you all are. In this game the room will be trying to go under our limbo bar which will actually be this ribbon.

(hold up the ribbon)

We're going to have you line up with your Game Groups and each Game Group will attempt to travel under the limbo ribbon. If any members of your Game Group touch the limbo ribbon, then they're out and must sit against the wall. Every round of this game, we're going to lower the ribbon a little more in order to make it more difficult, so you may want to stretch out a little between rounds to make it through the more difficult rounds.

We'll play five rounds of this game and then we'll see which Game Group can stay in the game the longest. While you guys are playing, me and a few kids are going to be up here with the Dropmix board laying down some sick beats. I'm going to choose two kids who I thought did amazing during the memory verse activity to help me for a while, so let me call up _____ and _____ to the stage to be my guest DJs!

(get those two kids on stage then prepare to start the game)

Ok, our ribbon is in place and you guys have formed your game groups. Let's get ready to play, 'Drop the Beat (and the Kids!)!"

- This game can have slight variations depending on your theater size. Please reference the Motion Large Group Host video for explanations on variations.

DISMISSAL MOVIE INTRO

“Great job during the game, Motion! Your parents will be here in just a few minutes to pick you up. Remember, if you brought your Bible today, you can show it to the leader at checkout for a prize.

Now, we’ve got one more movie to check out that’s going to show us how we can cooperate with others.”
