WELCOME

"Welcome to Motion and welcome to our series *Made!*

All month we're discovering who God made us to be and how God made us unique. That's right, Motion. We're learning about individuality! Let's find out what individuality means.

Individuality: Discovering who you are meant to be.

We're going to learn more about individuality and how we can uncover the amazing, unique, special person God made us to be. Here to talk more about individuality is one of my friends. Motion, help me welcome _____ to the stage!"

CONNECT QUESTIONS INTRO

“It doesn’t matter what a person looks like on the outside. What really matters is what’s on the inside — a person’s character. God cares about what’s in a person’s heart, and that’s what we should care about, too. We want to be people of good character, and to surround ourselves with friends who are, too.

Now, it’s time for us to answer a few questions about today’s Bible story and the video we just watched. Circle around your eGroup leaders now!

First question: Why did people think that David couldn’t be a king? Why did they think David’s brothers should have been king instead? Discuss that now.

(give kids one minute to answer the question)

Next question: Have you ever judged someone based on the way they look or how they dress? Tell about a time when you judged something based on how it looks and were wrong.

(give kids two minutes to answer the question)

Last question: What a person looks like doesn’t matter. What matters most to God? How can you focus on what really matters?”

(give kids two minutes to answer the question)

WORSHIP INTRO

“Great job, Motion! I heard some amazing answers coming from your eGroups. Now, it’s time for us to stand to our feet and thank God for creating us in His image. Everyone stand to your feet and let’s sing, dance, and worship God together. Let’s sing, ‘Made In Your Image.’”

DISMISSAL TO eGROUPS

“Great job, Motion! Everybody stay standing because it’s time for us to head back to our eGroups. When I call your eGroup leaders’ name, you can follow them back to eGroup so you can learn more about individuality.”

(dismiss kids back to eGroups)

eGROUPS

VIP WELCOME

“Welcome back from your eGroups, Motion! Before we continue, I want to take a moment and welcome our VIPs who are here with us for the first time today! Motion, help me welcome our VIPs!

(initiate applause)

If it’s your first time here, we consider you a VIP — a very important person! VIPs, turn your attention to the screen because I’ve got some special instructions just for you.

(refer to the screen)

This is a VIP lanyard. If you’re a VIP, you’re wearing this around your neck right now.

[VIP Slide - Lanyard]

When you leave Motion, you need to take that lanyard to the _____ tent called the Welcome Area.

[VIP Slide - Welcome Area]

Once you get to the Welcome Area, show them your lanyard and they will give you a gift!

[VIP Slide - Gift]

Let’s review.

[VIP Slide - All Combined]

- Call eGroup leaders’ names using the Talking Points card.

- Make sure you use the appropriate slides that match the color of the tent used on your campus.

VIP Lanyard + Welcome Area = Gift.

If you have any questions about where to go or what to do, just ask someone in an eKidz shirt and we'll be more than happy to help you out!"

BIBLE PRIZE INFO

"Now Motion, it's time to talk about how we're going to reward you for something I know a lot of you do every week — bringing your Bibles! It's so important to bring your Bible to eKidz so you can have God's Word in front of you. That way, you can circle important stories, memory verses, or wisdom you'll learn about.

If you brought your own personal Bible from home, then you'll be able to leave today with a prize. After your parents pick you up, you'll show YOUR Bible to the leader who's checking your tags at the door. IF you brought your Bible, you can choose from one of the prizes available. Bring a Bible, get a prize. How easy is that?

When I say, 'Bring a Bible,' you say, 'Get a prize!'

Bring a Bible!

(wait for kids to respond)

If you didn't bring a Bible today, then bring one next time! Each week you can get a prize for bringing your Bible."

MEMORY VERSE ACTIVITY

"It's time for us to work on this month's memory verse! First, let's take a look at it on the screen.

(refer to the memory verse slide on the screen)

Ok, let's all say the verse. I'll say it first, then we'll say it together.

(say the memory verse, then say the memory verse with the kids)

We're going to do an activity that'll help you learn this month's verse. In just a moment you're going to find a partner and the two of you are going to read the verse to each other back and forth, but you're going to do it 'popcorn style.' That means you'll say one word of the verse, then your partner will say the next word. You'll go back and forth until you get to the end of the verse. When you finish, you'll do it one more time, but this time, you'll switch which word you say.

After you say it twice with a partner, we'll do it one final time where the whole room will say it 'popcorn style' with me. For

- Refer to the memory verse slide on the screen.

now, go ahead and find a partner and say it twice. You've got two minutes. Go!

(give kids two minutes to find a partner and say their memory verse 'popcorn style' twice)

Great job! Everyone focus on me and let's say the memory verse popcorn style. I'll start!"

(say the memory verse popcorn style with the whole room)

GAME SETUP - LONER

"Great job, Motion! It's time for today's game!

This month we'll be doing a series of challenges called our 'Minute to Make It' challenges. Our challenge this week is called 'Loner.' Check out the screen.

(watch the rules video)

I'll need someone to come up here and compete in the Loner challenge. You'll have one minute to knock over the pencil using a ball, just like you were bowling. Then after one minute, we'll find someone else to compete. Let's begin!"

GAME - LONER

DISMISSAL MOVIE INTRO

"Great job during the game, Motion! Your parents will be here in just a few minutes to pick you up.

Now, we've got one more movie that's going to teach us more about individuality. Take a look at the screen."
