"Welcome to Motion and welcome to our series *Mud Run!*

This month we've learned that when things get difficult, we can live our life with perseverance. But what's perseverance? Let's take a look at the screen and say our virtue together:

Perseverance: Refusing to give up when life gets hard

We'll learn that whenever things get tough, we should push through and finish, no matter what. Here to talk to us more about refusing to give up when life gets hard is one of my friends. Motion, help me welcome _____ to the stage!"

CONNECT QUESTIONS INTRO

“Even when it was hard, Jesus didn’t give up so we could have relationship with God. Because Jesus kept going, He serves as a great example of how we can keep going, even when faced with something difficult.

Now, it’s time for us to answer a few questions about today’s Bible story and the video we just watched. Circle around your eGroup leaders now!

First question: What difficulties did Corrie face in her life? Discuss that now.

(give kids one minute to answer the question)

Next question: How did God use Corrie’s life which was full of difficult things, to help other people?

Final question: How can God use a difficult situation to do something good? Knowing that God will be with you no matter what, how can you have perseverance during hard times?

(give kids two minutes to answer the question)

BIBLE PRIZE INFO

"Now Motion, it's time to talk about how we're going to reward you for something I know a lot of you do every week — bringing your Bibles! It's so important to bring your Bible to eKidz so you can have God's Word in front of you. That way, you can circle important stories, memory verses, or wisdom you'll learn about.

If you brought your own personal Bible from home, then you'll be able to leave today with a prize. After your parents pick you up, you'll show YOUR Bible to the leader who's checking your tags at the door. IF you brought your Bible, you can choose from one of the prizes available. Bring a Bible, get a prize. How easy is that?

When I say, 'Bring a Bible,' you say, 'Get a prize!'

Bring a Bible!

(wait for kids to respond)

If you didn't bring a Bible today, then bring one next time! Each week you can get a prize for bringing your Bible."

MEMORY VERSE ACTIVITY

"It's time for us to work on this month's memory verse! First, let's take a look at it on the screen.

(refer to the memory verse slide on the screen)

Ok, let's all say the verse. I'll say it first, then we'll say it together.

(say the memory verse, then say the memory verse with the kids)

We're going to do an activity that'll help you learn this month's verse. In just a moment you're going to find a partner and the two of you are going to read the verse to each other back and forth, but you're going to do it 'popcorn style.' That means you'll say one word of the verse, then your partner will say the next word. You'll go back and forth until you get to the end of the

verse. When you finish, you'll do it one more time, but this time, you'll switch which word you say.

After you say it twice with a partner, we'll do it one final time where the whole room will say it 'popcorn style' with me. For now, go ahead and find a partner and say it twice. You've got two minutes. Go!

(give kids two minutes to find a partner and say their memory verse 'popcorn style' twice)

Great job! Everyone focus on me and let's say the memory verse popcorn style. I'll start!"

(say the memory verse popcorn style with the whole room)

GAME SETUP - BALANCE TRAINING

"Great job, Motion! It's time for today's game!

We're putting you through the final test of our mud run training. In this game, you're going to attempt to keep your balance while performing a series of challenges.

Everyone must complete a series of challenges while balancing a plate on their head. If the plate falls off, you must sit down until the next round.

Everyone stand to your feet, we'll hand out our plates, and then we'll play, 'Balance Training.'"
