

HOST GUIDE

Week of September 21, 2019
Week 3: Out of the Ordinary
Valuable

Countdown/Hangout (15 seconds)

Sample script:

Hey, Motion! My name is _____, and I'm your host. We're going to have a great day today. Let's get going by getting into our groups to talk about the icebreaker question.

Welcome (30 seconds)

Purpose: Transition kids from the icebreaker to worship.

Sample script:

Okay, Motion! My name's not the only one you need to know. The real MVP is your group leader! Go ahead and give your leader a high five. We're here to have a great time, so to help you do that, there are three rules you need to follow: **JUMP IN** and participate in games and discussions; **LISTEN UP** to show respect to leaders and others; and **ACT OUT** through actions that help others have a great experience. Now, let's get ready to worship! Everyone stand to your feet!

Transition to Message (30 secs)

Purpose: Transition kids from worship to teaching video.

Sample script:

Worshipping with you guys is my favorite. You know what else is my favorite? The Loop Show! Today, Ricky and Jayme have a fun game to Play Doh-ing something bizarre! Oh, you'll see! Let's learn about how God sees us as valuable. Count down with me! Ready? ... 3! 2! 1!

Offering (60 seconds)

Purpose: Recap teaching video lesson in one sentence. Explain offering and pray over it while it's collected.

Sample script:

Only God can determine our identity. The world has no authority to make us believe negative thoughts about ourselves. God says we're valuable! And now, it's time for our tithes and offerings! When you give, you're showing God that you're putting Him first in your life — above money and things. It helps get our hearts in the right place, and it helps spread the word of Jesus' love for us. Let's pray for our offerings.

God, thank You that You determine our identity and have called us valuable. Thank You for erasing our sins and redeeming us. And now, we pray You will multiply this offering and use it to help people all over the world hear the good news of Jesus' love for them. In Your Son's name we pray, amen.

Large Group Game (12 mins)

Purpose: Bring the fun together as a large group.

Sample script:

Today's game was all about how we can shine brightly, and when we shine brightly, we stand out. In today's game, we're going to cut the lights and you're going to dance in place until the lights come back on. When the lights come on, you'll need to freeze in place. If you don't, you're out and you'll sit down.

Now, the trick with this game is that when you dance, you'll need to be doing a dance from the popular game Fortnite. On the screen you'll see a bunch of different Fortnite dances being performed. When you're dancing, you'll pick one of the dances on screen and dance to the best of your ability. But remember, when the lights come back, freeze in place IMMEDIATELY! Take a look at the screen, pick out a few dances you want to try, and let's get started!

Announcements (60 seconds)

Purpose: Announce next steps and transition to activity.

Sample script:

Now, listen up for some announcements!

- *Encourage kids to invite a friend.*
- *VIP Process: Lanyard -> Black Tent -> Gift*
- *Make sure kids get the Motion Challenge Cards on the way out.*

Now, it's time for us to circle around our group leaders, and we'll end the day with some fun activities and discussion. Do that now!
