Use the activity completed in eKidz with the information below to supplement what your toddler is learning this month. Each activity reviews our monthly focus and Bible story and provides you focused interaction with your toddler.

THE GOOD SHEPHERD [CRAFT ACTIVITY]

Encourage your toddler to hang their sheep picture in a place he or she can see it each day. Say, "A shepherd takes care of his sheep. God loves us and takes care of us. God says we are loved! We are loved by God!" Ask your toddler what sound a sheep makes. Encourage your toddler to say "baa baa" and say, "God loves me!"
