

**SERVING TOGETHER
DURING LOVE WEEK:
A 5-MINUTE FAMILY ACTIVITY**

**Talk about serving and make
a plan to serve as a family!**

Family Discussion

The Bible commands us to love God and love people, and there is value in making volunteering a part of your family's rhythm. During LOVE Week, experience the impact made when we join together to serve others.

Talk about the importance of serving with your family. Choose a few questions to discuss together during a family car ride or over a meal.

-  What does it mean to serve others?
-  Why should we help and serve others? Has anyone ever helped you?
-  What are some ways you've served others? Who did you help and what did you do?
-  How should we serve together during LOVE week? How many events does our family want to participate in? What kind of events would be impactful for our family?

Make a difference wherever you are.
