Today, we're going to learn about a story that Jesus told! We can find it in God's Word, the Bible. If you're ready to hear a Bible story, hold your hands open, like you're pretending to hold a Bible. *(Lead your toddler in holding their hands open like a book.)*

Jesus' story begins with a man who was traveling. Along the way, there were some robbers who hurt him and took everything he had. The man was hurt, and he needed help.

2

Along came a priest! The priest saw the man who had been hurt, but he didn't stop to help.

Next, a helper in the temple walked by. He saw the man, too. The helper from the temple didn't stop to help him either. Let me hear you say, "Oh no!" *(Encourage your toddler to say, "Oh no!")*

Then, along came a Samaritan man, which means he was from the town of Samaria. When the Samaritan saw the hurt man, he stopped to help! He cleaned the man's wounds.

3

The Samaritan lifted the hurt man onto his own donkey and found him a place to stay. He took care of the hurt man all night long!

Just like the Samaritan helped the hurt man, we can help others, too! When we help the people around us, we can show them how much God loves them. Who can help others? *(Encourage your toddler to say, "I can help others.")*
