

Grab your toothbrush! While your family is brushing their teeth, walk around your house, from room to room, and look for things you are blessed with that a homeless child must live without.

After you have visited each room of your house (or until you get tired of brushing your teeth!) discuss the topic of homelessness. Use the questions below to start the conversation, then, pray as a family for those in need.

What are some basic needs that a homeless child would struggle to meet? (brushing their teeth, clean clothes, steady meals)

What are some things in this room that a homeless family would have to survive without?

What are some problems that a homeless family would deal with? (cold or hot temperatures, school supplies, transportation)

What are some ways we can help fight homelessness?

FAMILY PRAYER: *Thank you God for providing a home for our family. Thank you for the food we eat, the beds we sleep in, and the toys we play with. Tonight we pray for families that don't have a home. We ask that you would surround them with your love and bless them with the things they need. We ask you to give them hope and provide them with support. Thank you for a church that is committed to helping those in need. Show us how we can make a difference. We love you Jesus. Amen.*
