

INTO THE PORTAL ACTIVITIES

IF YOU'RE LISTENING AT HOME:

PLAY CHARADES

Each person will take turns acting out a character, place, or object from Into the Portal for everyone to guess. The first person to guess correctly will earn one point. Continue the activity, acting out a different person, place, or item each time. At the end of the game, the person who has the most points wins! Here are some examples you could choose to act out:
