

God Wants Me To Be A Friend!

Your child decorated a 'My Friend and I' picture craft in eKidz today. Help your child choose a photo that shows your child and one of their friends. Adhere it to this page and place the picture in their room where he/she can see it. Every time your child looks at the picture ask them, 'Who is your friend in that picture? Why are you friends? Say, 'God wants us to be friends.'
