

No Complaining Calendar!

Your child learned 'I will not complain' through the Bible story found in Numbers 14:1-4. Your child put stickers on their No Complaining Calendar of the things God has blessed them with and as a reminder to not complain.

This week, help your child remember not to complain by putting a check mark on each day he/she does not complain.

Place the calendar on your fridge, and at the end of the week, reward your child for doing a great job not complaining!
