## FAMILY ACTIVITY: FRIENDSHIP BRACELETS

### WHAT YOU NEED:

Two charms per person, scissors, hole punch, one-inch colored straw pieces (four per person), and pipe cleaners (two per person — you can use string if you don't have pipe cleaners)

### WHAT YOU DO:

- Print the charms onto card stock. If you don't have a printer, draw out each charm instead. Cut each charm out on the dotted lines. Punch a hole in the top of each charm on the dot. Each person will need one of each charm.

### WHAT YOU SAY:

- "Today, our Bible story was about friendship. We are going to make friendship bracelets."

### WHAT YOU DO:

- String one straw piece, a charm, and another straw piece onto a pipe cleaner. Wrap the pipe cleaner around a wrist and twist the ends to make a bracelet. Encourage everyone to make a second bracelet to mail to a friend.

### WHAT YOU SAY:

- "We have two bracelets so that we can mail one to a friend. Friends are important, and Jesus wants to be our friend forever. We can tell our friends that Jesus is alive! Who is alive? Jesus is alive!"
