

One night, Jesus and His friends were on a boat out at sea. All of a sudden, a huge storm came up!

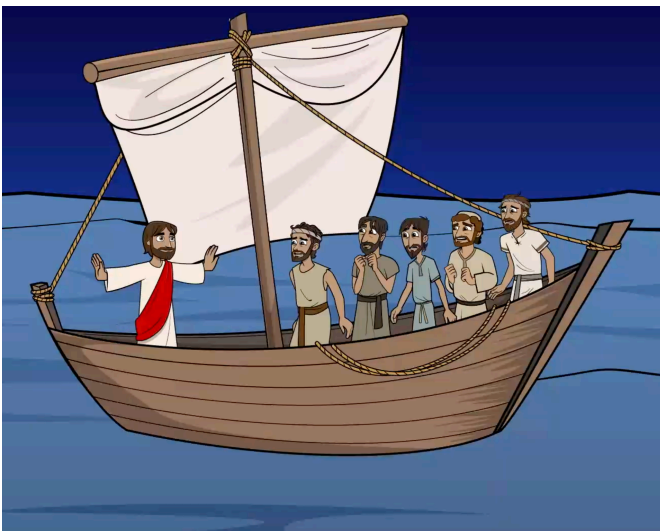

Can you help me make it sound like a storm?  
Pat your legs like this! *(Lead your toddler in patting their legs to make the sound of rain.)*

Then it rained harder and harder! Jesus' friends were scared.

It was raining and there was thundering and lightning. The boat rocked back and forth. While they were in the middle of the storm, Jesus was taking a nap in the boat.

So, Jesus' friends woke Him up! "Help Jesus, help!" they said. Let's say that together! *(Lead your toddler in saying, "Help Jesus, help!")*

Guess what? Jesus stood up in the boat, looked at the wind and the waves, and He told the storm to STOP! And the storm stopped!

Jesus had the power to stop a storm, and His friends were amazed. Jesus is God's Son, and He is powerful! He is more powerful than anything we face, and we can trust Him. Who is powerful? *(Encourage your toddler to say, "Jesus is powerful!")*
