

ECCLSIASTES 4:9

Our memory verse during *The Animal Adventurers* teaches children working together as a team is better than working alone. During the last weekend of the series, September 27/28, children can recite our memory verse to earn an Animal Adventurers Troop 49 bandana.

Our memory verse is:

Two people (hold up two fingers)
are better than one. (hold up one finger)
They can help each other (two thumbs up)
in everything they do. (spread arms wide)

Ecclesiastes 4:9 (NIRV)

FAMILY MEMORY VERSE

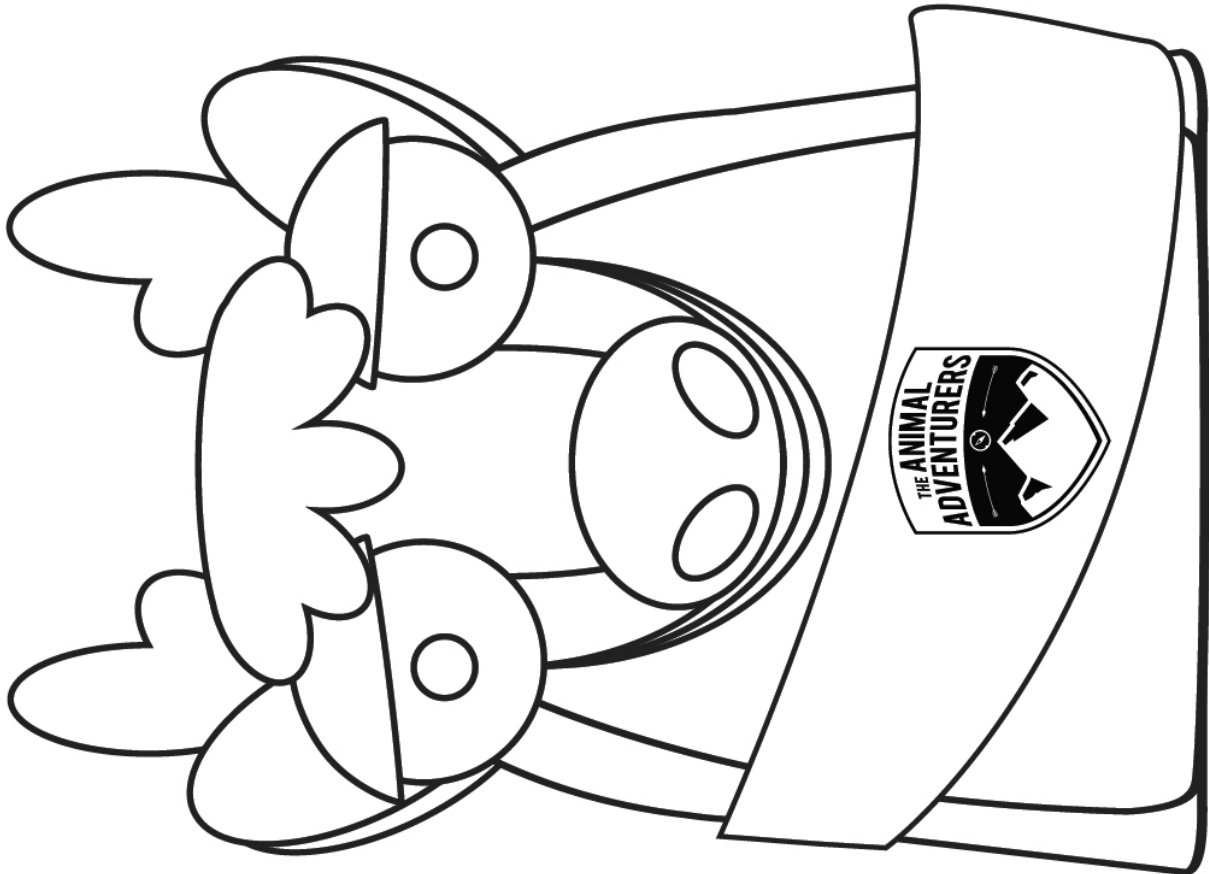

ACTIVITY: BEAN BAG PASS

Encourage your family to pass a bean bag around the circle until you call out **STOP**.

The family member holding the bean bag when you say **STOP** says the first phrase of the memory verse. While the family member says the phrase, the rest of your family will do the verse motions.

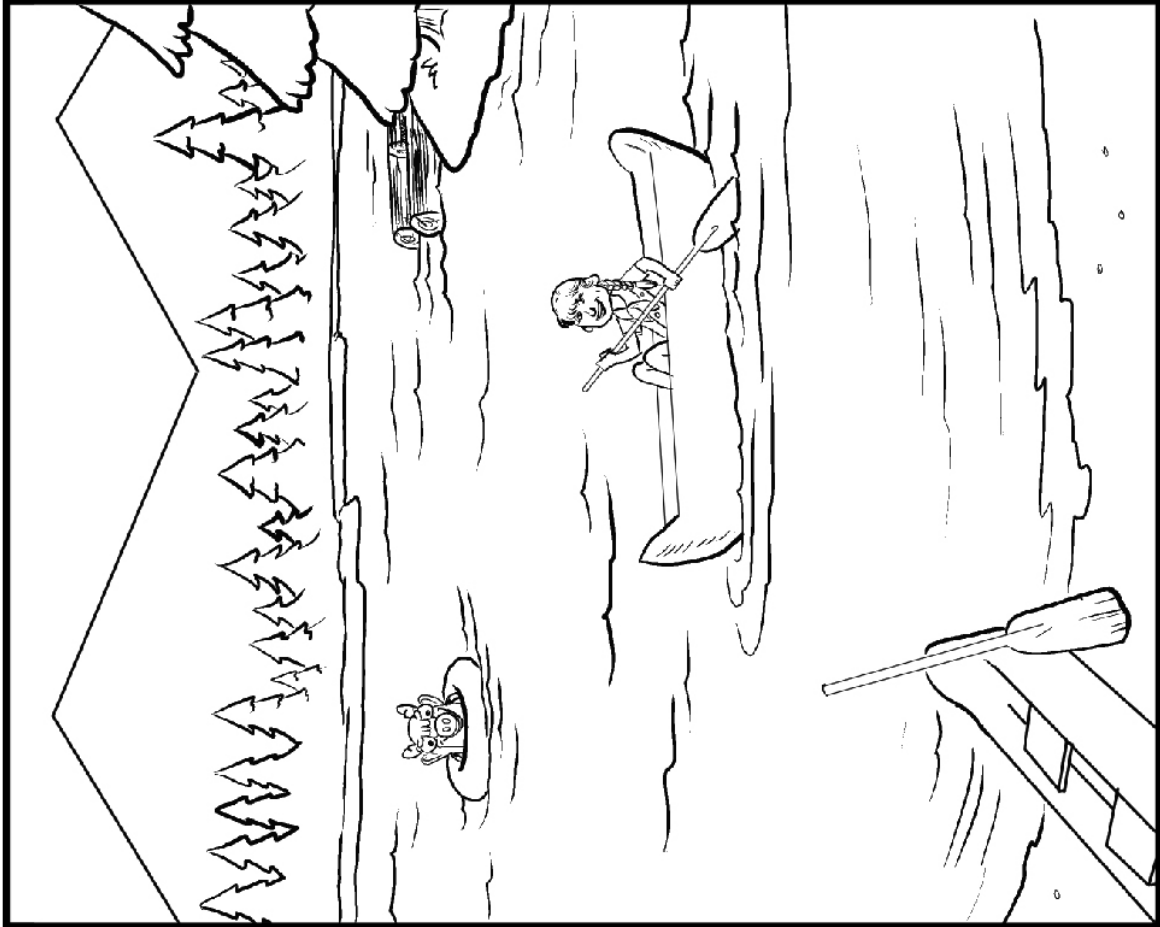

Have the family member toss the bean bag to another family member and continue passing it around the circle. The family member holding the bean bag when you say **STOP** must say the next phrase while your family does the motions.

Continue until the entire verse
has been said.
