

# ECCLSIASTES 4:9

Our memory verse during *The Animal Adventurers* teaches children working together as a team is better than working alone. During the last weekend of the series, September 27/28, children can recite our memory verse to earn an Animal Adventurers Troop 49 bandana.

Our memory verse is:

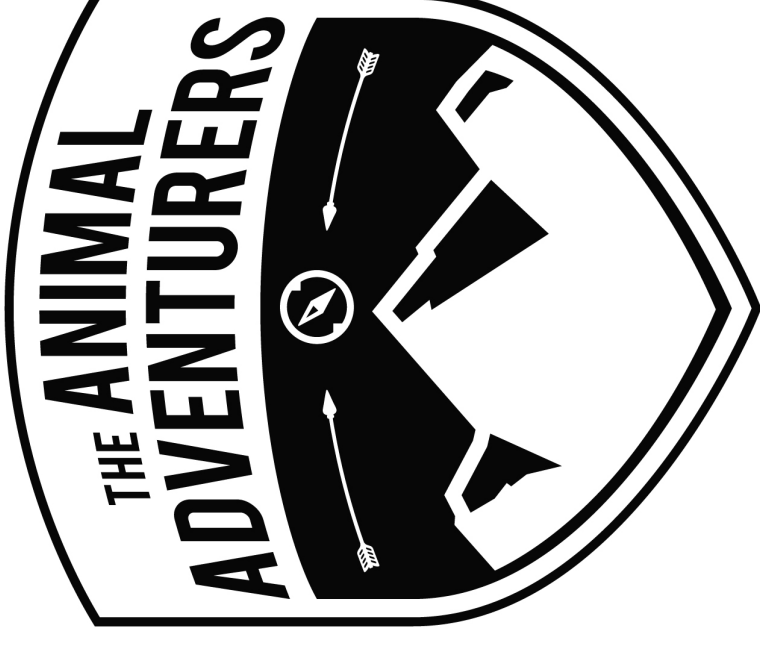

**Two people** (hold up two fingers)  
**are better than one.** (hold up one finger)  
**They can help each other** (two thumbs up)  
**in everything they do.** (spread arms wide)

**Ecclesiastes 4:9** (NIV)

## SCOUT CODE

## FAMILY MEMORY VERSE

### ACTIVITY: CLAP!

**On my honor,** (hold up three fingers)

**I will be a great teammate.**

**I will love.** (cross arms over chest)

**I will trust.** (hand over heart)

**I will wait.** (hold both hands out front)

**I will share.** (extend cupped hands out)

**I will help.** (two thumbs up)

**I will celebrate.** (dance in place)

**On my honor,** (hold up three fingers)

**I will be a great teammate.**

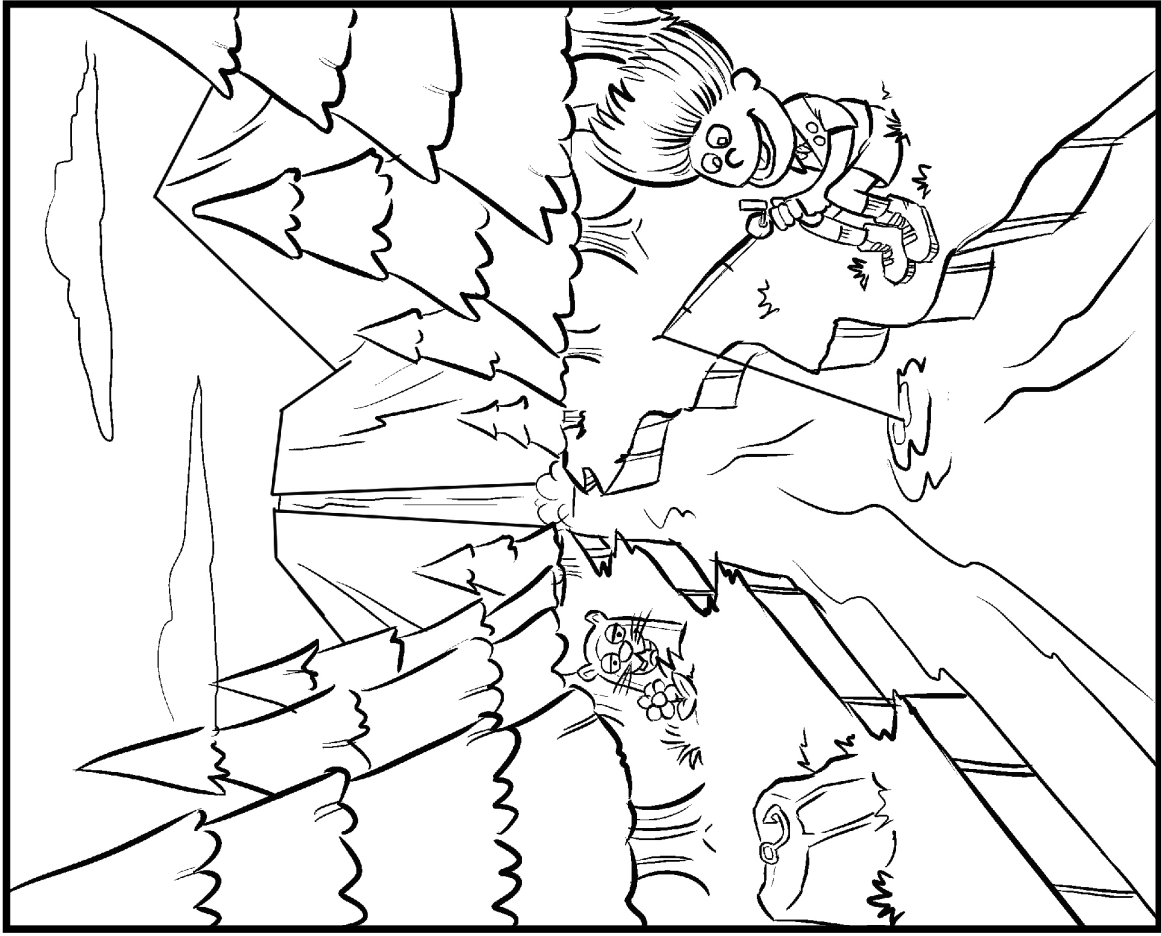

Create a set of *Clap!* cards.

Write each phrase of the memory verse on a notecard, or for younger children, take a picture of your child or another family member doing the motion for each phrase to print out.

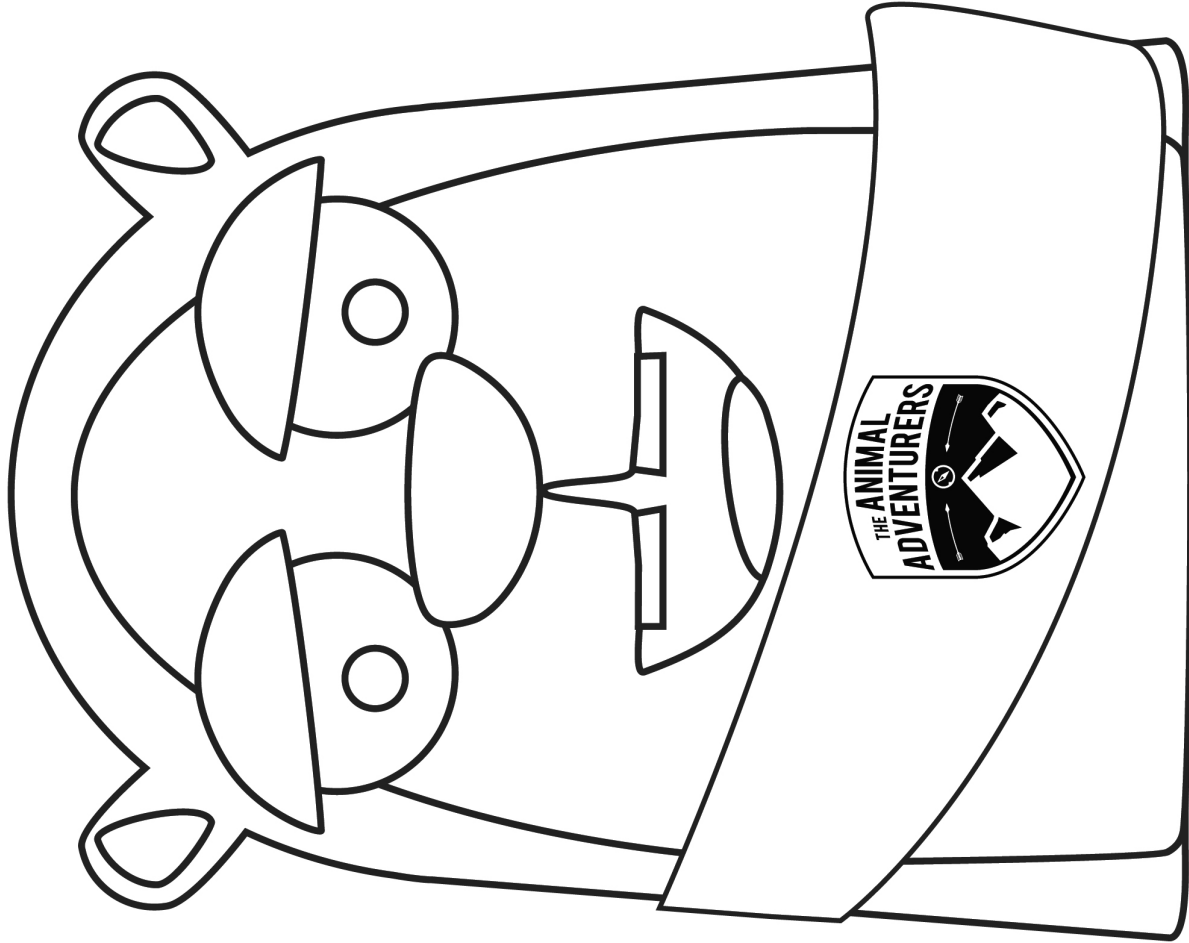

Lay the *Clap!* cards on the floor, in numerical order. Choose one family member to pick a *Clap!* card and hold it in his or her hand. Your family will say the verse and do the motions together, but clap for the card which was picked instead of saying the phrase and doing the motion.

After saying the memory verse, put the *Clap!* card back and choose another family member to pick a card. Continue until the entire verse has been repeated a few times.
