

ECCLESIASTES 4:9

Our memory verse during *The Animal Adventurers* teaches children working together as a team is better than working alone. During the last weekend of the series, September 27/28, children can recite our memory verse to earn an Animal Adventurers Troop 49 bandana.

Our memory verse is:

Two people (hold up two fingers)
are better than one. (hold up one finger)
They can help each other (two thumbs up)
in everything they do. (spread arms wide)
Ecclesiastes 4:9 (NirV)
