Time for us to bow our heads, Bow our heads, bow our heads.

Time for us to bow our heads, Quietly we'll pray.

Use the activity completed in eKidz with the information below to supplement what your toddler is learning this month. Each activity reviews our monthly focus and Bible story and provides you focused interaction with your toddler.

DAVID AND GOLIATH [ACTIVITY]

God helped David be brave when he fought Goliath. God helps us be brave, too! Make a Goliath target (or visit the eKidz site to print one out) and five stones out of crumpled black or brown paper. Point to Goliath as you say, "This is Goliath. God helped David be brave and fight Goliath. David fought Goliath with stones. Can you hit Goliath with a stone?" Allow your toddler to throw stones at Goliath. When your toddler hits Goliath, say, "You hit Goliath! God helped David be brave and fight Goliath, and God helps us be brave, too! God helps us be brave when when we are scared of (insert scared scenario). Make a brave face!"

Scared Scenarios: a dog, the dark, being alone, a storm, strangers
