I SAID THANKS! [ACTIVITY]

Each day this week find an opportunity to tell your toddler 'thanks.' Tell you toddler 'thanks' when he or she obeys or helps a friend or family member. Say, "Thank you (insert child's name) for _____. God wants us to give thanks, just like the one man who came back and thanked Jesus." Be intentional about saying 'thanks' to other families members when your toddler is near. Toddlers listen and learn best through repetition.
