

Jesus Walks on Water

Jesus Walks on Water Bible Story Card Instructions

Cut out the above Bible story cards and have your toddler color the cards. Use the Bible story cards as you read the following story:

The disciples got on a boat while _____ (Jesus) stayed back to pray. In the middle of the night a storm scared the _____ (disciples on the boat). Jesus came to the boat and walked on _____ (water). Jesus called _____ (Peter) to walk to Him. Peter started to walk on the water, but became very afraid. He called out to Jesus and Jesus caught Peter. Say, "I can pray to God like the disciples when I am afraid!"

Remind your toddler the disciples prayed to God when they were afraid and they can too!
