

Who Can Worship?

I Will Worship Jesus!

John 12:12-19

SUPPLIES: 12 *Who Can Worship* pictures

Print and cut out the *Who Can Worship* pictures (pages 2 and 3). Lay the 12 pictures face down on the floor or table. Take turns flipping three cards over at a time to try and find a match. If the three cards don't match, turn the cards over and let the next family member take a turn. If a match is found, leave the pictures face up.

Once all the matches are found, use the following picture descriptions to talk about who can worship God and how to worship God:

DANCE

- Who is worshipping in this picture? [*A boy and girl*]
- How are the boy and girl worshipping in this picture? [*Dancing*]
- Can you worship God by dancing? [*Yes*]
- Let's all practice. Stand up and do your best dance move. [*Stand up and dance!*]

READ THE BIBLE

- Who is worshipping in this picture? [*A girl and her dad*]
- How are they worshipping in this picture? [*Reading the Bible*]
- Can you worship God by reading your Bible? [*Yes*]
- Let's practice by pretending to open our Bibles and read from them. [*Bring hands together like a folded book and pretend to open them, like you're opening a book.*]

PRAY

- Who is worshipping in this picture? [*A boy*]
- How is the boy worshipping in this picture? [*Praying to God*]
- Can you worship God by praying? [*Yes*]
- Let's practice. Bring your hands together and bow your head. Have one family member pray. Here's a sample prayer - 'Dear God, thank you for different ways to worship you. May we worship you all the time. Amen.'

GO TO CHURCH

- Who is worshipping in this picture? [*Two friends*]
- How are the friends worshipping in this picture? [*Going to church*]
- Can you worship God by going to church? [*Yes*]
- Let's practice. Let's stand up and walk around our circle like we're pretending to go to church.

Explain to your family that anyone can worship and there are different ways to worship. We can worship by dancing, reading our Bibles, praying, and going to church.
